Bar Hill News

The Monthly Magazine of the Residents Association

Number 79 May 1975

We welcome to the Village:

Mr. Mrs. O'Dell, 15 Partridge Drive
Mr. Mrs. Julier, 45, Foxhollow.

****

May I extend our apologies to a number of residents who did not receive their April edition of the News on time. All copies of the News were printed, collated and distributed to our volunteer fleet of deliverers on time. In future we will try to ensure that the hiccup in our system does not re-occur - it is just as frustrating to us as it is to you.

Our response from club secretaries and tradesmen, etc., that was asked for in last month's News has been most disappointing. We would very much like to publish a Village Directory that could be issued, initially to all residents, and subsequently to all newcomers to the Village, that would inform them, in one reference volume, of all the amenities and facilities available in and around the Village. This is a tedious task and without your support, it is impossible. If you wish to see such a publication, please let Peter Hoare, 14 Pheasant Rise (80758) have details.

It is disturbing to see such a large amount of rubbish being dumped in the Village. You are reminded that there are other ways of disposing of refuse than throwing it on building sites and amenity areas. For details see the Parish Council report.

Finally, we are starting to receive copy after the closing date. Wherever possible, we will remain flexible, but we cannot guarantee inclusion of articles received after the 22nd of the month. Please try and be early.

The Editor.

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

BHRA - FROM THE SECRETARY'S NOTEPAD

Commercial Vehicle Parking

May I extend the thanks of those residents concerned who asked if the commercial vehicles in the Village could be parked in the industrial area, as this has now been accomplished.

Committee Vacancies

At our last meeting, we welcomed Alan Pell-Coggins, of 28 Gladeside (80344) and Tony Wingate of 4 Partridge Drive to the BHRA Committee. We still have one vacancy on the Committee.

Playground Equipment

Due to the recent poor weather, work has been postponed until the Village Green has sufficiently dried out.

Typewriters

The Editorial Committee would like to thank all those who offered typewriters, following our request last month. We will try to make contact in due course to see if the typewriters are suitable for cutting stencils, etc.

New Ideal Homes

We understand that some residents have been interviewed by an executive of New Ideal Homes, (a subsidiary of Trafalgar House), it is thought that New Ideal will recommence building in the Village on Phases 4 and 8 once their interviews and studies are completed - more details next month.

The Parish Council and BHRA will shortly carry out an inspection of the Village to compile a list of outstanding jobs which are the responsibility of the Developers. A meeting will be held with Bar Hill Developments and New Ideal in the near future to discuss these items. Any residents who can specify items or areas requiring close scrutiny should contact Mark Petit, 28 Acorn Avenue (80400) or myself. (Residents of Pheasant Rise please note that the state of the roads and lighting are at the top of our list).

Village Games

My thanks to the anonymous person who suggested a drinking competition.

Commercial TV aerial

We are receiving a number of complaints from residents of Gladeside and Robin Close about frequent breakdowns of the commercial aerials and poor reception, especially on BBC 1. We will endeavour to find out the reasons for this. In the meantime please let me have your complaints so that representation can be made to the Developers.

BAR HILL PARISH COUNCIL REPORT - FROM THE PARISH CLERK

Reminder

The Notice Board near Keymarkets is used by the Parish Council the information being brought up to date regularly. After each monthly Council meeting the minutes are displayed. The Notice/Agenda of each meeting is also put up on the Board about one week before each meeting. A list of Parish Councillor's names and addresses are displayed there for your information.

Future Meetings

Tuesday 27 May 8 p.m. at the Church Centre
Tuesday 17 June 8 p.m. at the School
Tuesday 15 July 8 p.m. at the School.

Details will be posted on the Notice Board.

Waste Disposal

Apart from the weekly collection of rubbish there are other ways of disposing of refuse using the District Council facilitie facilities: (a) special collection lorry (b) taking the rubbish yourself fo the Council Tip at Fen Drayton. In both cases contact the Works Manager at the Oakington Depot, Tel. Histon 2504 or Histon 2669. Details are displayed on the Note Board near Keymarkets. Please use these methods rather than random dumping around the Village.

Village Maintenance/Village Trust

We are still discussing the proposals for village maintenance with the Developers and the District Planning Authority. I hope that we shall be able to organise a village meeting for early July at which maintenance and related proposals can be discussed. Probably by then we shall have more idea of the likely timetable for any changes.

Village Green

I am sorry that the Green appears to be rather a mess, however the very wet weather during the winter has been against us. Once the Green dries out we have arranged for the tarmacing of the area around the swings/roundabouts to be completed, for some young trees to be planted on the school boundary and for weed killers and fertiliser to be applied to the Green. (Parents please note). I would also explain that the footpath from the spine path to the School was laid to help those from up the hill to get to the School in comparative ease and to get near the play equipment. At present there are queries on the exact boundary line of the Green near the farm buildings/The Drift. Once those queries are resolved it is likely that the extension of the path across the Green will be arranged.

Aircraft Noise

At the moment it seems to be getting worse and we have complained to Alconbury. Our direct queries to the Ministry of Defence are unanwered at present. However the subject is not forgotten.

/. . . . cont'

A604 Interchange

Work is progressing on schedule. It is likely that within the next 3 weeks large plant will be moving earth from our side of the A604 to the Longstanton side. This could be disruptive to those travelling towards Huntingdon. Any traffic lights installed will only be temporary.

J. Nunn & Sons of Ipswich Ltd

This company is now in creditors compulsory liquidation with the Official Receiver in charge. There is very little prospect of an early completion of any efforts to wind up this company. As residents in the two phases most affected, namely Hollytrees and Pheasant Rise, signed leases with Bar Hill Developments Ltd., I would urge them to write to Bar Hill Developments at their registered office: 681 Mitcham Road, Croydon, Surrey CR9 3AP, setting out any matters requiring attention with regard to their houses - and keep a copy of your letter. At the same time we are pursuing with the Developers this question of outstanding work to houses as well as the larger problem of incomplete amenity areas and roads/lights.

The Annual Parish Meeting

This was held on 25th March at the School. In addition to the Council there were about 45 residents which is not many when you remember that every house was individually advised of the meeting. However it was a useful meeting and I hope those who came found it worthwhile.

Elections

To clarify various comments, the next elections for all the seats on the Parish Council will be May 1976. There will of course be displayed the necessary public notices for the 11 vacancies on the Parish Council.

Planning Application

The Developers are applying for detailed permission for Phase 4, which is the area immediately beyond Pheasant Rise as far round as the extension of the Spine Path. The application is for 171 houses on about 12½ acres of land. Our objections are being sent to the District Council who will consider the application in early June. The objections include too great a density of building, a virtual lack of play/amenity areas, very little tree planting and landscaping and two large areas of garages in straight line blocks. We did advise residents living near the edge of Pheasant Rise of the application but if anyone wishes to look at the application/plans they are available at my house. (As are the details of all Planning Applications for Bar Hill).

Audit of Accounts 1974/75

The District Auditer has fixed 2nd June '75 as the date on which he audits the Parish Council accounts at Great Eastern House, Tenison Road, Cambridge at 10.00 a.m. The formal notice, with fuller details is on the Notice Board (outside Keymarkets).

Next Meeting The Annual Meeting of the Parish Council (as distinct from the Annual Parish Meeting) is our next meeting on May 27th and the first item on the Agenda will be the election by Councillors of a Chairman of the Council. You are welcome to attend.

Mark Petit, Parish Clerk,

BAR HILL CHURCH

In the past year it has been my privilege to minister in Bar Hill, first with the Revd. Donald McIlhagga, and now, until it is possible to appoint another Free Church Minister, to represent both parts of the Ecumenical Ministry team as the Anglican Minister.

For Bar Hill is one of those unique communities - and the first in East Anglia - to be officially designated as an "Area of Ecumenical Experiment". It is sponsored by the Baptist Union, the Church of England, the Methodist Church, the United Reformed Church and Society of Friends (the Quakers). Bar Hill Church is meant to be a visible expression of a Christian Fellowship sharing their common membership in Christ in work and worship together.

On any Sunday morning you would find 50 or more adults at worship and 20 children in different age groups, some of them enjoying themselves in the creche provided. Quite a proportion of the families stay for coffee afterwards. There are some people in Bar Hill who express the view - "It's not like a real Church!". I know what they mean! The shape and appearance of the building and its multi-purpose use doesn't appeal to them. But I haven't met anybody yet who has been inside recently who hasn't found the fellowship inside to be the real test of what the building stands for.

We have had visitors recently from three groups from outside Bar Hill to question what we are trying to do as a united Christian Community. Perhaps we should give you the opportunity - and soon - to come in for an afternoon or an evening to see for yourself and to ask your questions.

At any time we'd be glad to see you. Our aim can't be better expressed than in the words of our foundation stone - "This House is built that together in Christ we may worship God and serve the Community."

Richard Smart

Bar Hill Church meets for worship every Sunday morning at 10.00 a.m. (creche provided)
for evening prayers every Sunday evening at 9.00 p.m. at the Church Centre.

COME AND JOIN US!

Richard Smart
Minister. (Tel. 80828).

Church Secretary (Tel. 80220)

CHESS CLUB

Are there any chess enthusiasts (any standard) in the Village who would be willing to form a Chess Club. This I envisage would lead to a league or ladder, and later, hopefully, a representative team to challenge other teams. Anybody wishing to learn how to play chess would also be most welcome to join. If interested, contact Mr. K.T. Unwin, 2 Partridge Drive.

CHRISTIAN AID

The annual Christian Aid Week Campaign will be 19 - 24 May. This year presents a greater challenge than ever to raise money. With 500 million seriously under-fed people, and the world grain shortage inflating food prices, it is the poor of other lands that will go without. In Cambridge and surrounding villages, there will be a house to house collection.

/ Cont'd . . .

Christian Aid continued.

If you can help, contact your Church representative.

On Tuesday May 13th there is an opportunity to hear Canon Biswas from Calcutta talking about India. This will be held at Gt. St. Mary's at 8.00 p.m.

Also, please make a point of visiting the Christian Aid Bazaar in St. Michael Hall, Trinity Street on the 16th and 17th from 10.00 a.m. - 4.00 p.m. There will be a wide variety of stalls, light refreshments and a conjuring show for children on the Saturday afternoon.

Christian Aid Week is the only major concentrated effort in the U.K., to stir public conscience and practical compassion. It is the Church's own campaign - let us help the hungry feed themselves.

BAR HILL HORTICULTURAL SOCIETY

Our A.G.M., was recently held in the School. Our membership has now increased to 115 members, an increase of 45 over last year. We are now affiliated to the Royal Horticultural Society and this allows us a limited number of tickets to various shows:

- 6 tickets for the Royal Chelsea Show at Chelsea Hospital
- 6 tickets for the Great Autumn Show at Westminster
- 2 tickets for the fortnightly shows at Westminster
- 2 tickets for Wisley Gardens at Ripley, Surrey.
  (each of the latter tickets admits 2 persons)

/Cont'd . . .

These tickets are available to members only and applications should be made to the Secretary.

Discussions are continuing between the Parish Council and the Developers and ourselves for the conveyancing of land for allotments. Our new Committee are:

Chairman	-	Mr. D. Lindsay
Secretary	-	Mr. W. Botfield
Treasurer	-	Mr. A. Harrison
Trading & Allotment Secretary	-	Mr. G. Wilson
Committee Members		Mr. P. Webster
		Mr. K. Smith

The Trading Post is now functioning at 18 Almond Grove on Sunday mornings between 11.30 - 12.30 where most horticultural requisites are available to members at reduced prices. At the time of writing we have large quantities of canes (for tomato plants), peat and peat blocks.

Garden Hints

The weather we have been experiencing has not encouraged much ground preparation. However, there are signs that the ground is now drying out. When conditions allow, now is the time to attend to the lawn. Careful raking, with a lawn rake, is useful if this has not already been done, followed by brushing and mowing (a high cut for the first mowing). This should be followed by an application of fertiliser (National Growmore is available at the Trading Post) or a combined fertiliser and weed killer. Do not use a roller excessively as this will only compact the soil. Dahlia tubers can now be planted, about 4 inches deep, removing any diseased parts and planting in a hole in which a little sand has been scattered. Scatter a few slug pellets around the plant. It is still too early for planting out seedlings which have not been hardened off, as we may still have night frosts. Continue with seed planting in pots and trays, in a good compost, giving adequate protection from the cold.

W.C. Botfield, Hon. Secretary

1st BAR HILL SCOUT GROUP

MAY BALL - it is regretted that due to circumstances beyond our control, we have had to cancel this function. We hope to be able to run another event later in the year to make up for this disappointing state of affairs. Please accept our apologies.

JOB WEEK - What horrible weather the boys had to contend with! None the less they managed to get round the Village and although we have not yet totalled up all the earnings, it looks like a very good result. May we say "THANK YOU" to all of you who found jobs for the boys. No doubt you may have wondered what the money is used for and why it is the boys have 'Job Week' when normally they do this type of thing as their 'Good Turn'. Well it is just a matter of hard cash. Every year we as a group have to pay a sum of money for each boy and leader to the Scout Association to pay for the running of the Association both at national and district level. Of course every year this figure gets higher and this year we

/cont'd . . .

have had to find £1.30 for every boy and leader. With sixty boys and six leaders you can see that this comes to quite a sum. We think it is well worth it though and hope you feel the same.

WASTE PAPER - What a muddle! First it's off and then it's on again, sounds more like the Social Contract than a Scout Groups efforts to collect waste paper! Well, we are sorry that we had to change our date last month but this was due to the fact that the company to whom we are now selling could not take our paper the Saturday that we normally collect on. I hope we did not cause too much confusion! Anyway we are now back to normal and will continue to collect on the second Saturday of each month. This means that we will be coming round on the 10th May at the slightly earlier starting time of 9 o'clock. This is necessary as we have now to take our paper to the buyer and this has to be done and delivered to his warehouse by 11.30 a.m. Even allowing for the mix up last month we managed to collect just under two tons and at todays low price this earned £9.90 for our funds. We look forward to your support for this venture and now can offer you a regular and confirmed service every second Saturday of the month.

WE ARE THE CHAMPIONS - Well that is what the Cub Scouts were singing after their football match on the 22nd April against their old friends and rivals of Elsworth and Boxworth. You will remember that we reported last month that our boys had finished top in the league that they had been playing in this season and the match against Elsworth and Boxworth was a kind of league cup match, as they, Elsworth, had finished top of their league. The score on the 22nd was Bar Hill 3 - Elsworth and Boxworth 0. A great game and all the parents who came along to cheer certainly did a good job.

SECTION REPORTS - Well all three sections are now going again after the Easter holidays. Several of the old Cub Scouts are now moving up into the Troop giving us a little room for new boys to come in. At the moment this mainly applies to the Friday evening Pack but if you have a son eight years old or over who wants to become a Cub Scout, please contact Jack Bulger of 34, Acorn Avenue (Tel. 80292) who will be able to give you details. We are looking for a Scouter to help out with the Wednesday Cub Scouts. If you are a 'retired' Scouter and feel you would like to help, please contact Jack Bulger. Even if you have not been a Scouter in the past but feel that you would like to become one and work with boys between the ages of eight and eleven, please also contact Jack for further details.

COMPETITION CORNER

Last month's solutions

Problem 1

	Received	Catalogued
Monday	x	y
Tuesday	x-y	10
Wednesday	x+12	y
Thursday	3y	8
Friday	6	x
Saturday	Nil	16

Since all the books received were eventually catalogued, the totals of the two columns must agree. Examining them, 2x in the received column must balance the extra 16 in the catalogued column. So 8 books were received on Monday. Congratulations to Suzanne Smith, 43 Pheasant Rise who receives 50p. The runner-up was John Nowman, 17 Pheasant Rise.

Problem 2

1. Hazardous. 2. The number refers to the straight stokes used in writing each letter of each word, so COS = 0, MEW = 4, and HANKY = 3. I received no correct solutions to this problem.

MAY'S PROBLEM

Just one problem for you this month. Rules for entry as per normal (BHRA member households only). £1 for the first correct solution opened on May 16th. Entries please to Knowall, c/o 23, Foxhollow.

When two quite ordinary words have been 'telescoped' together it is not always easy to recognise them, even though the letters are in the correct order, for example, given SPHIERIONED, would you spot it was made up from SHINE and PERIOD. Now try these ten:

1. SESCHROVIETOTLE
2. CELOBLUMOWN
3. MESSATRIMENTIONALY
4. CRAIVENORE
5. PARALAGORGON
6. STATOMATION
7. CRICCEQUEST
8. CLAIMELOT
9. PHELEGRAM
10. PASTTIREENNGTCHE.

Good luck!

VIETNAM

Listen people one and all,
This is a story to make you bawl.
It's about a boy with coloured skin,
and furthermore, he had no kin.
He was only at the age of three,
and the sad thing was he couldn't see.
One day the garden he did sense,
but the fog was far too dense.
All at once the boy went forward.
He turned his face up to our Lord.
"Please God, make me white,
then I can go and fly my kite."
But the dear Lord answered,
"You are black and they are white!
It's a difference you don't want to fight.
You are like the flowers that grow.
So the black and white together must go."

Sue Brown,
135, Pheasant Rise.

WHAT'S IN A NAME?

The Newcomers group is changing their name. This has been the subject of much thought over the past months and several ingenious suggestions have been made - including "Magpie Club", "Chatterers Anonymous" and others. We are a Church sponsored group, being the equivalent of a wives group in the Village. However, we are open to all who would like to join us, young or old, married or single, male or female. We meet in the Church Centre on Tuesday afternoons 2.00 - 3.30 p.m. Our purpose is to promote friendship and caring in the widest sense. From now on, we shall be known as the ALL-COMBERS and we hope that everyone will feel welcomed in our midst.

May 6th - Cake Stall May 13th - Nearly New

May 20th - Treasure Island May 27th - Picnic (weather permitting - please bring own food).

The total collected for the Dr. Barnados Homes was £54.63. Thanks to all who contributed and collected. Finally, the result of our recent coffee morning and Jumble Sale for the Save the Children fund was £22. 29½p. Again many thanks.

RED CROSS

The annual door - to - door collection will be made in the Village from the 5th - 10th May.

Everyone knows the work done internationally by the British Red Cross; and from time to time, special appeals are made for contributions to a particular relief operation. However, the work done by the Red Cross in the U.K. and Particularly Cambridgeshire is not always so well publicised. This includes the following: -

/cont'd . . . .

Red Cross continued.

- training in First Aid Nursing for adults and juniors
- running homes for the elderly
- arranging holidays for the handicapped
- providing transport and welfare calls for the aged and infirm
- running schools for handicapped children (Ely)
- help in hospitals
- medical loan depots (Bar Hill - Mrs. Much, Otter Gardens).
- providing First Aiders at public functions.

The Cambridgeshire Red Cross also have two ambulances (Cambridge and Huntingdon). As you can appreciate, the equipping, running and maintaining of these services is expensive. It is for the furtherance of this local work, that we appeal to you in this way every year. We ask that you give us your generous support as in previous years. Thank you.

P.S. Just a reminder that there is a short, non-certified Red Cross Course running in the Health Centre on Friday evenings at 8.00 p.m.

TIPPLE OF THE MONTH!

Don't let V.A.T. dampen your spirits, why not try the following:

RHUBARB BAKE WHISKY

Ingredients:

1 lb. bread
1 gallon rhubarb
1 gallon water
4 lbs. sugar
½ oz. yeast

Method:

1. Cut the bread into slices and toast it a nice brown - both sides - but on no account burn or this spoils the flavour entirely.

2. Put in a bowl, cover with cold water. Cut the rhubarb up and add. Leave to mash for 9 days, stirring often and squeezing the toast up with the hand, then strain and throw away the pulp.

3. Add the sugar and stir until it is dissolved, then sprinkle the dry yeast over the top. Let it ferment 14 days then skim and bottle.

Cheers!

Sue Turner
